The Prez Sez
(Written for Scott Williamson
by Jim Stanner)

WHAT'S THAT???? YOU DON'T BELONG TO A COMMITTEE??? Well, what are you waiting for? All members, new and old, are expected and, indeed, we NEED you to join one of our many committees. In fact, if you have the time and the interest, there is no limit on the number of committees you can be a part of. During your Orientation I tried to emphasize the important role played by the committee system in Kiwanis. If you have a new or special project that you would like the club to support and sponsor, the accepted procedure is to present it to the proper committee and have the Chairperson submit it to the Board of Directors for approval and funding.

Even though one committee has the project listed as part of their approved projects, the truth of the matter is that THE ENTIRE CLUB is responsible for seeing that the project gets enough support to make it successful!! ALL CLUB MEMBERS are supposed to volunteer their time and efforts to each and every project that they can in order to get the work of Kiwanis done!! No one can do it all but everyone is expected to do something to further the work to the community. So, DON'T JUST STAND THERE!! FIND THE COMMITTEE THAT YOU CAN BE PART OF AND VOLUNTEER!!! See the chairperson, the Prez,. or your sponsor and let's make your Kiwanis experience one that is satisfying to you and moves the goals of the club forward.

Tidbits and Updates from the Community Services Committee:

OPK members, through the Community Services Committee, support our local North County Humane Society. On March 11, 2009, the Humane Society will be the program. The committee is asking any members that would like to participate to bring pet food either in

unopened bags or cans, carpet squares or large buckle collars. We will present all the items that we collect to our speaker, Julie Bank.

At Tuesdays meeting, The Board, reunited the Community Services and Youth Services Committees and going forward. The combined committees will be known as the Community Services Committee. Stepping up to the plate as committee chair is Roy Mitchell. We ask you all to please support Roy by participating at the committee meetings and the club projects. When members participate, new ideas flourish.
Read the Prez Sez in this issue!

Speaking of projects - April will be a busy month! Cal-Nev-Ha District has designated April 4, 2009 as Kiwanis ONE day. This happens to conflict with the Key Club convention in Anaheim, which would preclude our Key Club members from participating in Kiwanis ONE day. The club can choose to hold their event on a different day providing it is in the month of April. Keep this in mind. All ideas are welcome. April 25-26 is the Relay for Life and we are sponsoring a team that will need chaperones. Listen for more information at the club meetings as the projects unfold.

Trivia as Filler

In the original story of Cinderella, her infamous glass slippers were actually made of fur. When Charles Perault wrote down the story in 1697 (it had been passed down orally for centuries), he mistook vair ("ermine") for verre ("glass"). Which makes much more sense, because even though they sound more romantic, glass slippers could cause more damage than just blisters. Perrault realized his mistake, but by that time, the story was so popular, he chose to leave it as was.
